

# Curriculum Vitae

## Personal Information

**First name** Farin      **Surname** Soleimani  
**Date of birth** 17May1966      **Nationality** Iranian  
**Marital status** Married      **Title** Professor /Dr

**Gender** Female

### Work address

Pediatric Neurorehabilitation Research Center  
University of Social Welfare and Rehabilitation Sciences  
Tehran IRAN

Post code: **1985713834**

Tel: +98 21 71732850

Fax: +98 21 71732845

E-mail: soleimani\_farin@yahoo.com  
[fa.Soleimani@uswr.ac.ir](mailto:fa.Soleimani@uswr.ac.ir)

## Educational Background

<b>1991-1994</b>	Specialists in Pediatric, Medical School, Shahid Beheshti University of Medical Sciences and Health services, Tehran, Iran (Board certificate) Title of thesis: Evaluation of 120 Liver biopsy in pediatric wards of Mofid & Emam Hosein Hospitals.
<b>1984-1991</b>	MD, school of medicine, Shahid Beheshti University of Medical Sciences and Health Services, Tehran, Iran. Title of Thesis: Etiology and Complication of Urinary Tract Infection in pediatric ward of Shohada Hospital.
<b>2015-2016</b>	Research Fellowship, University of Social Welfare & Rehabilitation Sciences.
<b>2020</b>	Peer Review of Publons Academy

## Employment / Professional Experience

<b>1994 - Present</b>	<b>Professor</b> of University of Social Welfare and Rehabilitation Sciences (SWRU), Tehran, IRAN.
-----------------------	-------------------------------------------------------------------------------------------------------

	<b>Research on</b> screening and diagnostic methods for early detection and intervention of Child Developmental Disorders, Neurodevelopmental Care in NICU infants, Health Promotion, Early childhood Development.
<b>2003-2011</b>	<b>Teaching on</b> child development to PhD & MS students of Shahid Beheshti University of Medical Sciences.
<b>2007-present</b>	<b>Secretary of research Committee</b> of Pediatric Neurorehabilitation Research Center (Affiliated to SWRU).
<b>2008-2010</b>	<b>Main member</b> of Pediatric Neurorehabilitation Research Center (Affiliated to SWRU).
<b>2004-2008</b>	<b>Member of Research Committee</b> of University of Social Welfare and Rehabilitation.
<b>2005-present</b>	<b>Member of Strategic Committee</b> of Social Welfare and Rehabilitation University.
<b>2010-2012</b>	Active member of Research Faculty (Affiliated to SWRU).
<b>2007- 2008</b>	<b>Member of Research Committee</b> of Children with Special Needs Research Faculty of Education Ministry.
<b>2007- 2008</b>	<b>Head of Asma</b> Educational, Research and Rehabilitation Center (Affiliated to SWRU)
<b>2007- 2001</b>	<b>Head of Pediatric Neurorehabilitation Research Center</b> (Affiliated to SWRU)
<b>2007-present</b>	Active member of <b>Peer Review Committee</b> of University of Social & Rehabilitation Sciences.
<b>2006-2007</b>	<b>Head of Psychology &amp; Special Needs Research Center</b> (Affiliated to SWRU).
<b>2005-2009</b>	Active member of Research Committee of Psychology & Special Needs Research Center (Affiliated to SWRU).
<b>2005-2010</b>	Head of Research Committee of Asma Rehabilitation Center (Affiliated to SWRU).
<b>2002-present</b>	<b>Director of Asma Child Developmental Disorder Center</b> (Affiliated to SWRU).
<b>2002-present</b>	<b>Head of Neurorehabilitation Team</b> in Asma Child Developmental Disorder Center (Affiliated to SWRU).
<b>2003-2004</b>	<b>Member of Board Director Committee</b> of "Early Detection and Intervention of developmental disorder in Iran".(Affiliated to Valiasr Rehabilitation Foundation)
<b>2001-2002</b>	<b>Head of Saba</b> Educational, Research and Rehabilitation Center (Affiliated to SWRU)
<b>2000-2001</b>	Member of <b>Board Directory</b> of University of Social Welfare and Rehabilitation Sciences.
<b>1996-2001</b>	<b>Consultant</b> to the Rehabilitation and Treatment Deputy of SWRU on Educational programs.
<b>1998-2001</b>	<b>Head of Karaj Comprehensive Rehabilitation Center</b> (Affiliated to SWRU).

## Publications

### Books:

**Soleimani F, Pediatric Disease in Rehabilitation.** 2007, University of Social Welfare & Rehabilitation Sciences Publication.

Basir et al. (**Soleimani F**), **Guidelines of Perinatology**, 2th Vol (2007).

Basir et al. (**Soleimani F**), **Handbook of Neonatology**. 2009, Perinatology society publication.

**Soleimani F, Mirsepasy Z. Down Syndrome(1): New Methods of Care and Treatment.** 2009; University of Social Welfare & Rehabilitation Sciences Publication.

**Soleimani F, Vameghi R, Shahshahani pour S. Prechtl's Method on the Qualitative Assessment of General Movements in Preterm, Term and Young Infants.** 2010; University of Social Welfare & Rehabilitation Sciences publication.

**Soleimani F, Mirsepasy Z. Down Syndrome (1): New Methods of Care and Treatment. Second ed**, 2010; University of Social Welfare & Rehabilitation Sciences publication.

Hemmati S, **Soleimani F**, Vameghi R, Shahshahani pour S, Sajedi F, Daneshmandan N, and et al. **Pediatrics' Behavior**. 2010; University of Social Welfare & Rehabilitation Sciences Publication.

Yadegari F, **Soleimani F**, Ashtari A, Aghajani A, Fotohi M. **Prelinguistic Early Intervention Protocol for Children with communication disorder**. 2016, University of Social Welfare & Rehabilitation Sciences Publication.

**Soleimani F, Nazi S, kavousipor S, Ravarian A, Ashrafi MR. Early Intervention in Infants with motor Developmental Delay.2020**, University of Social Welfare & Rehabilitation Sciences Publication.

### Articles:

**Soleimani F**, Cerebral Palsy Prognosis. Abstract Published in the proceedings 2<sup>nd</sup> Seminar on Cerebral Palsy, Tehran, Iran, January 1996.

**Soleimani F**, Evaluation of Hypotonic Infant. Abstract Published in the proceedings 6<sup>th</sup> Iranian Occupational Therapy Congress, Tehran, Iran, January 1998.

**Soleimani F**, Infant Neurological International Battery Test (INFANIB).Abstract Published in the proceedings 7<sup>th</sup> Iranian Occupational Therapy Congress, Tehran, Iran, Feb1999.

**Soleimani F**: Motor developmental screening in Iranian infants. BRAIN & DEVELOPMENT J. Abstracts of the 5<sup>th</sup> International Congress on Cerebral Palsy, June 2001;23(3):156.

**Soleimani F**, Khoshbin E, Shams S: Report of motor developmental delay screening of 4-18 months infants of Karaj city. Journal of Rehabilitation (USWR). 2002; 2: 22-28.

**Soleimani F**: Developmental Disorder Screening in Karaj city. Published in the proceeding Annual Congress of Iranian Society of Pediatrics & 23<sup>th</sup> Memorial Congress of Prof. Mohammad Gharib. Tehran, May2002.

## 2004

**Soleimani F**: Report of motor developmental delay screening of 4-18 months infants of Karaj city. Abstract Published in the proceeding of the first Health & Family Scientific Award. Dec2004.

**Soleimani F**: High Risk Infant Assessment. Iranian Journal of Pediatrics. 2004;2:13. Abstracts of the 16<sup>th</sup> International Congress on Pediatrics.

## 2005

**Soleimani F**: Evidence Based Approach on Developmental Disorders. Abstract Published in the proceedings of 4<sup>th</sup> Congress of Iranian Society of Pediatric Neurology. Jan 2005.

**Soleimani F**: Who is High Risk? Published in the proceedings Annual Congress of Iranian Society of Pediatrics & 26<sup>th</sup> Memorial Congress of Prof. Mohammad Gharib. Tehran, May 2005.

**Soleimani F**, Karimi H: The evaluation of effective risk factors in infant developmental disorder. Journal of Rehabilitation(USWR). 2005; 6: pp 6-15.

**Soleimani F**, Joghataei MT: Risk Factors of Motor Developmental delay in Iranian infants. Abstract Published in the proceedings of 6<sup>th</sup> European Pediatric Neurology Society Congress. Goteborg, Sweden Sep2005.

Joghataei MT, **Soleimani F**: Prevalence of Motor Developmental delay in Iranian infants. Abstract Published in the proceedings of 6<sup>th</sup> European Pediatric Neurology Society Congress. Gutenberg, Sweden Sep2005.

**Soleimani F:** Evaluation of the child with global developmental delay. Iranian Journal of Pediatrics. 2005;1:15. Abstracts of the 17<sup>th</sup> International Congress on Pediatrics.

## 2006

**Soleimani F:** High risk Infant follow-up program in the first year of life. Abstract Published in the “Seminar of Safe Pregnancy”17-18 Jan2006.

**Soleimani F:** Neuro-developmental evaluation in children. Published in the proceedings Annual Congress of Iranian Society of Pediatrics & 27<sup>th</sup> Memorial Congress of Prof. Mohammad Gharib. Tehran, 13-17 May, 2006.

**Soleimani F:** Infant neurological international battery (INFANIB): Validity and reliability in Iran. Abstract Published in the proceedings of 10<sup>th</sup> International Child Neurology Congress. Montreal, Canada. Jun, 2006

**Soleimani F, Yahyapour MH:** Motor Developmental delay among Iranian infants. Abstract Published in the proceedings of 10<sup>th</sup> International Child Neurology Congress. Montreal, Canada. Jun, 2006.

Joghataei MT, **Soleimani F:** The evaluation of effective factors in infant developmental disorder. Abstract Published in the proceedings of 10<sup>th</sup> International Child Neurology Congress. Montreal, Canada. Jun, 2006.

**Soleimani F, Yahyapour MH:** Motor Developmental delay among Iranian infants. Published in the proceedings of 10<sup>th</sup> International Child Neurology Congress. Montreal, Canada. Jun 11-16, 2006. (**CURRENT CONTENT OF PHILADELPHIA**)

Yahyapour MH, **Soleimani F:** PREVALANCE OF MOTOR DEVELOPMENTAL DELAY IN IRAN. Neuropediatrics 2006; 37 - MP9.DOI: 10.1055/s-2006-943606

Joghataei MT, **Soleimani F:** The evaluation of effective factors in infant developmental disorder. Published in the proceedings of 10<sup>th</sup> International Child Neurology Congress. Montreal, Canada. Jun 11-16, 2006. (**CURRENT CONTENT OF PHILADELPHIA**)

Joghataei MT, Soleimani F: THE EVALUATION OF EFFECTIVE RISK FACTORS IN INFANT DEVELOPMENTAL DISORDER. Neuropediatrics 2006; 37 - MP11  
DOI: 10.1055/s-2006-943608.

**Soleimani F:** Neurodevelopmental outcome of premature, Low Birth Weight Infants. Iranian Journal of Pediatrics. 2006;1:16. Abstracts of the 18<sup>th</sup> International Congress on Pediatrics.

## 2007

**Soleimani F**, Dadkhah A: Validity and reliability of Infant Neurological International Battery for detection of gross motor developmental delay in Iran. *Child Care Health Dev.* 2007 May ;33 (3):2622-5.

**Soleimani F**: Developmental Care for Promoting Development & Preventing Morbidity in Preterm infants. Abstract Book of Neurodevelopmental Spectrum Congress. USWR, Tehran, Iran. 2007;1:16

**Soleimani F**: developmental outcome of premature Infants. *Iranian Journal of Pediatrics.* 2007;1:16 (**Review Article**).

**Soleimani F**: Specific Perinatal-Neonatal Complication in High Risk Infants. *Neuroscience Reviews.* 2007; 1:16 (**Review Article**).

Joghataei MT, **Soleimani F**: The evaluation of effective risk factors in infant developmental disorder. Abstract Published in the proceedings of 6th Symposium on Developmental Neurology – Early Developmental Transformation. Graz, Austria, May, 2007

**Soleimani F**: Cerebral Palsy in Iranian Infants. Abstract Published in the proceedings of 6th Symposium on Developmental Neurology – Early Developmental Transformation. Graz, Austria, May, 2007

**Soleimani F**: Risk Factors in Infant Developmental Disorder. Published in the proceedings Annual Congress of Iranian Society of Pediatrics & 28<sup>th</sup> Memorial Congress of Prof. Mohammad Gharib. Tehran, 19-25 May, 2007.

**Soleimani F**: Early Intervention on Neurodevelopmental Disorder. Published in the proceedings Annual Congress of Iranian Scientific Society of Perinatology. Tehran, 26-29 Jun , 2007.

**Soleimani F**: General Movements: A window for early diagnosis of developmental disorder in children. *Iranian Journal of Pediatrics.* 2007;17:3. Abstracts of the 19<sup>th</sup> International Congress of Pediatrics.

**Soleimani F**: Early Intervention Programs and High Risk Infants. *Journal of REHABILITATION.* 2007;8:2. (**Review Article**).

**Soleimani F, et al**: Health service utilization by mentally handicapped children and factors affecting it. *Journal of School of Public Health & Institute of Public Health Research.* 2007; 5(1): 29-39.

In Press

## Research Interests

- Developmental Screening in Pediatrics
- Health Promotion
- Early Childhood Development
- Neurodevelopmental Care in NICU Infants
- Early detection of developmental delays and follow-up,
- Neurodevelopmental High risk infant follow-up.
- Trans-disciplinary rehabilitation teamwork,

- Down syndrome (Medical follow-up).

## Research Activities

April 2014	<b>Manager of Research “Cut point determination of the Persian version of Bayley Scales of Infant and toddler Development III test in 1-42 months old Iranian children.”(Grant of Ministry of Health and Medical Education - Children's Health Office).</b>
Dec 2013	<b>Manager of Research “Cut-off Point determination of the Iranian (Persian) version of Bayley Scales of Infant and toddlers Development III Diagnostic test in 1-42 months old children in Tehran city.”(Grant of Research Deputy of SWRU).</b>
Dec 2013	<b>Manager of Research "Development and psychometric testing of quality assessment scale of neuro- developmental cases in neonatal intensive care units". .(Grant of Research Deputy of SWRU).</b>
Dec 2013	<b>Manager of Research “Cut-off Point determination of the Iranian (Persian) version of Bayley Scales of Infant and toddlers Development III Screening test in 1-42 months old children in Tehran city.”(Grant of Research Deputy of SWRU).</b>
Jun 2013	<b>Manager of Research“Explaining the needs of students and graduates of neonatal subspecialty for neuro- developmental care in neonates and infants. (Grant of Research Deputy of SWRU and TUMS).</b>
Jan 2012	<b>Manager of Research “Validity &amp; reliability determination of the Iranian (Persian) version of Bayley Scales of Infant and toddlers Development III Screening test in 1-42 months old children in Tehran city.”(Grant of Research Deputy of SWRU).</b>

**March 2011** **Manager of Research “Application of Artificial Neuronal Network Model for Predicting of Movement Disorder in Infancy ” (Grant of Research Deputy of SWRU).**

**March 2011** Major coworker of Research **“The Effect Of Lift Insert On Static Balance And Kinetic Parameters Of Standing In Children With Hemiplegic Cerebral Palsy ”** (Grant of Research Deputy of SWRU).

**March 2011** **Manager of research “Validity & reliability determination of Persian version of Bayley Scales of Infant Development III Diagnostic test in 1-42 months old children in Tehran city”** (Grant of Research Deputy of SWRU).

**March 2008** Major coworker of Research **“Evaluation of Iranian children developmental promotion”** (Grant of Research Deputy of SWRU).

**March 2008** **Manager of research “A study of 1-6 years old children with cerebral palsy in Asma Developmental Center in terms of type, etiology and associated disorders on 2007-2008 (Grant of Research Deputy of SWRU).**

**August 2005** Major coworker of Research **“The efficacy of active exercise therapy based on sensory-motor integration on rate and degree of recovery in patients with obstetrical Brachial palsy”**.( Grant of Research Deputy of SWRU).

**August 2005** Major coworker of Research **“The evaluation of acknowledge and attitude on early intervention of infant developmental disorders in pediatric and rehabilitation science students”**.( Grant of Research Deputy of SWRU).

**August 2005** **Manager of Research “Evaluation of developmental disorder risk factors in infants that referred from North and East of Tehran Health Centers”**.( Grant of Research Deputy of SWRU).

**Sep 2004** Major coworker of Research **“The Study of Care system responsiveness to fewer than 6 years old children with development disorder”**, (Grant of Research Deputy of Tehran UMSHS).

<b>2004-present</b>	Cooperation with Minister for Health and Medical Education, UNICEF and Iranian Society of Neonatology on " <b>high risk register follow-up program</b> ".
<b>2004-present</b>	Active member of scientific Committee of Down syndrome in Iran (affiliated to Research Deputy of SWRU).
<b>2000-2002</b>	Curriculum writing for developmental and behavioral Pediatric Fellowship (Treatment and Rehabilitation Deputy of SWRU).
<b>2000-2002</b>	Cooperation with Geriatric Curriculum Committee for Fellowship Course (Treatment and Rehabilitation Deputy of SWRU).
<b>March 2000</b>	<b>Manager of Research "motor developmental delay screening of 4-18 months infants of Karaj city"</b> (Grant of Research Deputy of SWRU).

## **Membership of Professional Associations**

<b>2006-present</b>	Member of the Iranian Scientific Society of Perinatology.
<b>1999-present</b>	Member of the Iranian Society of Pediatrics.
<b>1996-present</b>	Member of the Iranian Medical Council.

## **Theses directed, Supervised or consulted**

**Head of PhD theses** "Development and psychometric testing of quality assessment scale of neuro- developmental cases in neonatal intensive care units", 2013-2016. Pediatric neororehabilitation research Center, USWR.

**Consultant Director of PhD theses** "The Study of Care system responsiveness to under 6 years old children with development disorder", 2004-2007. School of Public Health of Tehran UMSHS.

**Consultant Director of MS theses** "Comparison of two rehabilitation method on motor quotient of 4-12 months infants with motor developmental delay", Nov 2004-5, Occupational Therapy Department of SWRU.

**Consultant Director of MS theses** "Evaluation of effectiveness of Bekmans stimulation method on hospital duration in premature neonates". 2010-11. Speech & Language Therapy Department of SWRU.

**Consultant Director of MS theses** "The effects of massage on infant growth and development". 2009-2010. Nursing & Midwifery Faculty of Shahid Beheshti University of Medical Sciences and Health services.

**Consultant Director of MS theses** "Determining correlation between High risk pregnancy and developmental delay in 4-60 months children". 2010. Nursing & Midwifery Faculty of Shahid Beheshti University of Medical Sciences and Health services.

**Supervisor of MS theses** "Validity and Reliability of Persian version of caregiver priorities and child health index of life with severe developmental disabilities questionnaire ". 2010-11, Occupational Therapy Department of SWRU.

## AWARDS

**Outstanding researcher** in university of social welfare and rehabilitation sciences on 2011.
